CERTIFICATION & AUTHORIZATION

Broker certifies and attests that it has no affiliation, as that term ("affiliate") is defined in Regulation Z (12 CFR 1026.32(b)(5)), with the third-party processing company listed above. Furthermore, Broker attests that the third-party processor working is not an employee of Broker. Broker understands that the third-party processing company will provide an invoice for their services on their letterhead specific to any transaction to Broker, and Broker will deliver a copy to Arc Home. Broker acknowledges and understands that Arc Home imposes certain limitations on compensation a third-party processor may charge on a given transaction.
