Net Tangible	A Net Tangible Benefit to the Veteran must be realized that, at minimum, satisfies the			
Benefit	following:			
	<ul> <li>For refinance of a fixed rate loan to a new fixed rate loan, the new loan must have an interest rate that is at least 50 basis points (0.50 in interest rate) less than the previous loan</li> <li>For refinance of a fixed rate loan to an adjustable rate loan, the new loan must have an interest rate that is at least 200 basis points (2.00 less in</li> </ul>			

- interest rate) less than the previous loan
  For Fixed to ARM refinances, discount points may be added to the principal loan amount of the refinancing loan only if one of the following circumstances exist:
  - The lower interest rate is not produced solely from discount points. In other words, the interest rate environment is such that some portion of the lower interest rate on the refinancing loan is the result of favorable changes in the market as compared to the Veteran's current rate.
  - The lower interest rate is produced solely from discount points (i.e., the interest rate environment is such that a lower interest rate cannot be achieved without charging discount points); discount points equal to or less than one discount point are added to the loan amount, and; the resulting loan balance after any fees and expenses maintains a loan-to-value (LTV) ratio of 100 percent or less.
  - The lower interest rate is produced solely from discount points (i.e., the interest rate environment is such that a lower interest rate cannot be achieved without charging discount points); more than one discount point is added to the loan amount, and; the resulting loan balance after any fees and expenses maintains an LTV ratio of 90 percent or less. As a reminder, while the Veteran may pay any reasonable amount of discount points in cash, no more than two discount points can be included in the loan amount of an IRRRL.

The LTV requirements noted above must be verified by one of the following (depending on property type):

- 1. Exterior-Only Inspection Residential Appraisal Report (Fannie Mae 2055)
- 2. Uniform Residential Appraisal Report (Fannie Mae 1004)
- 3. Exterior-only Inspection Individual Condominium Appraisal Report (Fannie Mae 1075)
- 4. Individual Condominium Unit Appraisal Report (Fannie 1073)
