Expanded FEMA Disaster Declaration in Louisiana

Expanded FEMA Disaster Declaration in Louisiana

FEMA has expanded the existing disaster, [DR# 4927](#), in Louisiana. The newly added counties are highlighted below:

Avoyelles	St Landry	Lafourche	Pointe Coupee	St Tammany	Terrebonne
-----------	-----------	-----------	---------------	------------	------------

For all loan products, if the appraisal was completed prior to **June 19, 2026**, we will require an exterior inspection. The reinspection must be completed by a licensed inspector with photographs, verifying the subject property was not impacted by the event. If the exterior inspection indicates any damage has occurred to the property, an additional interior inspection will be required by the appraiser. For any Conventional loan with a Property Inspection Waiver, VA IRRRL, FHA Streamline or USDA Streamline, the inspection must be dated on or after **June 19, 2026**.
